

Nonprofit Management Liability Insurance

Nonprofit Management Liability (NML) Insurance protects the assets of a nonprofit organization and its individual directors, officers and employees from expenses arising from allegations of wrongful acts.

Monitor Liability Managers, LLC offers

- Directors and Officers Liability (D&O) Insurance
- Employment Practices Liability (EPL) Insurance
- Fiduciary Liability Insurance
- Crime Insurance

NML Insurance offers protection for individual directors and officers when claims are made against them. It also safeguards the organization against liability for claims brought by employees and/or customers. This coverage helps to attract and retain qualified board members.

Costly litigation and settlement expenses, loss of donations, negative publicity and loss of your nonprofit status are just a few of the consequences your organization could face if you don't have NML Insurance when a claim occurs.

Coverage Features

- Limits up to \$5 million for primary or excess coverage
- Deductibles as low as \$0 for individuals and \$500 for entities¹
- Defense expenses paid outside the indemnity limit of liability
- Separate limits of liability available for D&O, EPL and Fiduciary Liability coverages
- EEOC (or state equivalent) coverage
- Includes full-time, part-time, and leased employees, volunteers and independent contractors
- Full prior acts coverage
- Third party liability coverage
- Personal injury coverage
- 60-day automatic extended reporting periods, with options for 12, 24 and 36 months
