

# Nonprofit Management Liability Insurance

Nonprofit Management Liability (NML) Insurance protects the assets of a nonprofit organization and its individual directors, officers and employees from expenses arising from allegations of wrongful acts.

## Monitor Liability Managers, LLC offers

- Directors and Officers Liability (D&O) Insurance
- Employment Practices Liability (EPL) Insurance
- Fiduciary Liability Insurance

NML Insurance offers protection for individual directors and officers when claims are made against them. It also safeguards the organization against liability for claims brought by employees and/or customers. This coverage helps to attract and retain qualified board members.
